Dear Friends,

It's time to break out your calendar and mark the weekend of July 31. That's right, it's time to **Fandango**. After 11 years, this event continues to draw friends from all over the country. There are a few new twists that you can look forward to. On July 30, we will have the second annual Fandango Golf tournament at Landa Park Golf Course. Tee off will be at 5:00. Nothing is better than playing a hot round of golf and then soaking your feet in the Comal Springs afterwards. Please email me if you would like to put together a team or attend. Green fees are \$18.00. Later in the evening we will have the ceremonial "lighting of the pit" by John Marsh at the River Road Icehouse.

This years headquarters will be Amigo Mel's Outfitters, www.amigomels.com and the River Road Icehouse www.riverroadicehouse.com. At last years float we ended up at the River Road Icehouse for a Cory Morrow concert. A great evening was had by all and truly topped off the Fandango. I would encourage you to click on these two sights to get the latest tubing and concert reports.

Our buses will depart Amigo Mel's at 11:30. We will head up scenic River Road along the Guadalupe River. The float should last approximately 3 hours. We will float into a cypress laden river park where Big John's famous BBQ will be waiting for us. Buses will pick us up from the park to take us back to Amigo Mel's and the River Road Icehouse at the end of the day.

In closing, I would like to thank **Phil Lang** for his hard work on www.frogfandango.com. We will be posting a variety of items so check it regularly for updates. So let's get ready to **Fandango**! There's no better way to beat this Texas heat and relax with your friends. Pack your ice chest (no glass), put on some sunscreen, and get ready for a great day...Froggy style.

Sincerely,

Sully
